- All new applicants pay a non-refundable registration fee of N\$3000.00
- School fees for 2023 are N\$1900.00 monthly for twelve months.
- School fees increase annually between 5% - 10%

2. RE-ENROLLMENT (ALL GRADES)

- Enrolled learners complete a re-enrollment application form annually.
- Re-enrollment fees are N\$1200.00 per learner (done in October).

The school offers family discount on monthly school fees for parents who have 3 and more biological children enrolled at the school.

NOTE:

Parents must inform the school in writing, if a learner will not return to school for the next academic year.

The Governing Body is grateful to all parents who invest in their child's education by meeting their financial obligation towards the school in a timely manner, despite a challenging economic environment.

Yours sincerely,
